## Principal's Report

### February 4th, 2020 for School Council Meeting

---

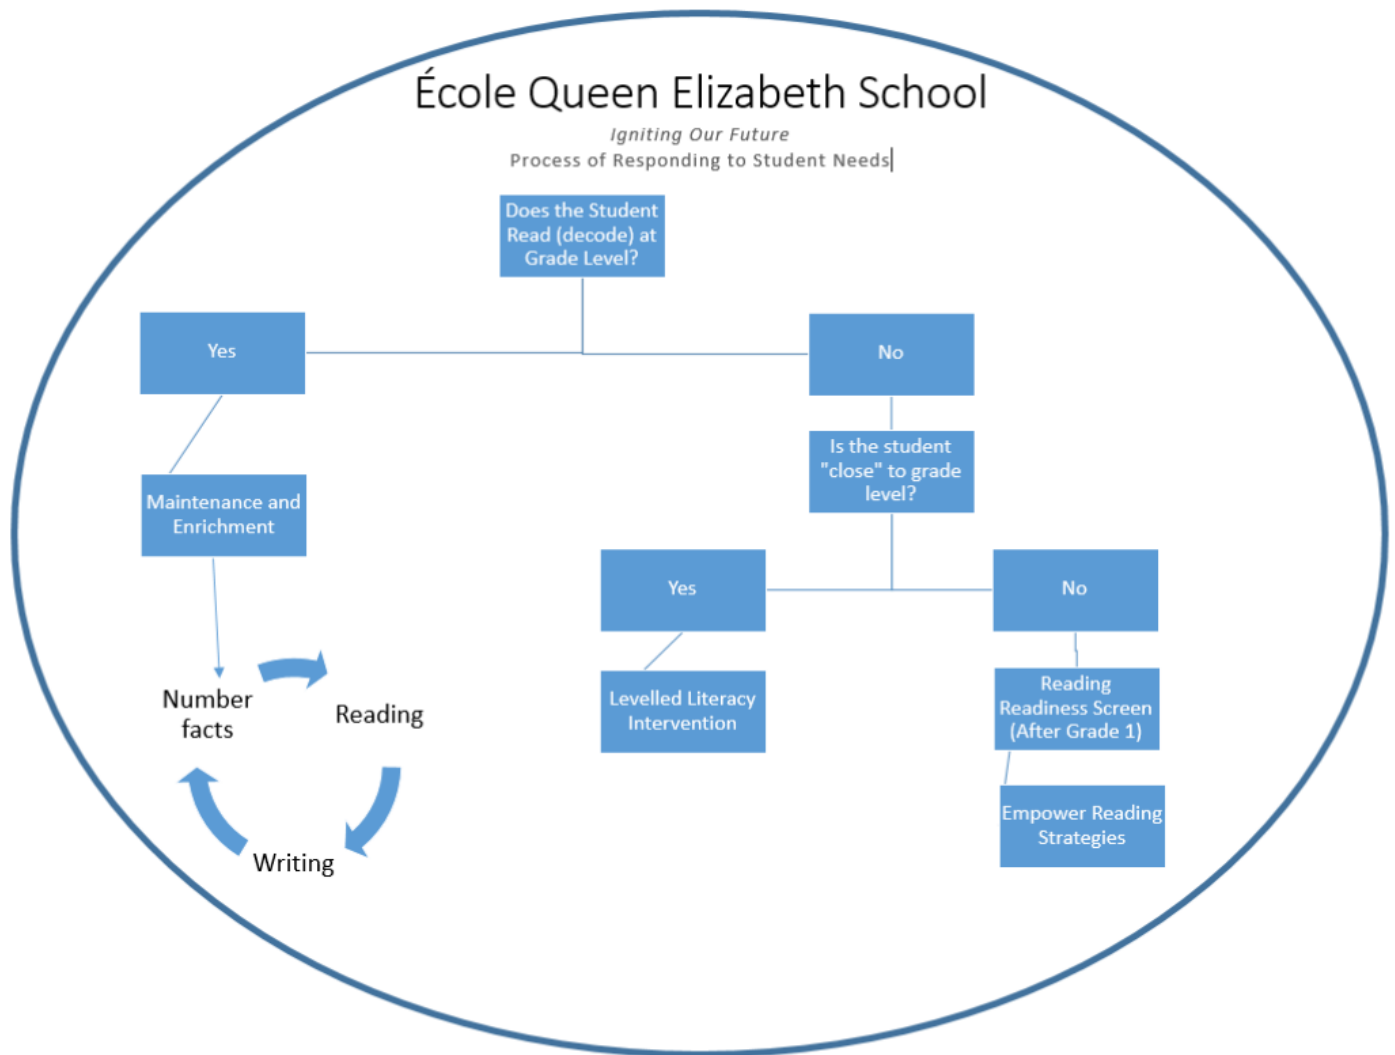

***"Preparing students today for the world tomorrow"***  
***"Igniting our Future"***

#### **Discussion, Input, Recommendations, Information**

- Participation in Principal Evaluation: Update collection
  - ALE (Adverse Life Experience) Training for our whole staff: New strategic Guiding Coalition group will continue our journey by meeting with Divisional staff to develop our next steps and action plan. This will be connected to our Strategic Action Plan and goal of "Nurturing and Responsive Environments"
  - Fish in a Tree: Assemblies and celebrations have been going very well. Parent turn out and support has been great. Student performances last assembly and awards were well received.
    - Awards recognize students who exemplify the key concept from the current chapters covered.
    - Student performances from the grade 7-8 all FI and YR
  - Accountability Survey completed: Parental survey is mailed out to families with directions on how to complete the survey.
  - JEPD (Job Embedded Professional Development) day last week staff had a great opportunity to learn together and further explore and develop our
-

collective understanding of emotional regulation. A Presentation, staff sharing and planning to support students occurred.
