Ecole Queen Elizabeth School Family and Students:

We want to thank each of you for continued support and connection with Ecole Queen Elizabeth School! Stay safe stay home! We are all well.

We'd like to share with you some of the highlights from the last few weeks of our *Learning @ Home* plan:

Learning @ Home Success

- Week # 9 of Learning @ Home. Wellness week! We hope all enjoy the suggested activities. Wellness week is an opportunity for students to catch-up on or revisit tasks which have been covered during our time of learning @ home while also taking the time to engage in activities designed to support physical and mental wellbeing during this new normal that we are experiencing. Students should take this opportunity to check their PowerSchool gradebook to make sure all tasks have been submitted, as well as engage in the wellness activities provided by their teachers
- Mme. Ford and Mme. Day developed collaboratively a cooking activity for students. Project Based Learning is a great way for students to engage in learning. Students had the opportunity to learn a variety of numeracy and literacy concepts through this activity.
- Staff completed transition meetings and documentation in efforts to support students transitions into the next level of learning that they will encounter when we return.

Online teacher resources that students are familiar with have continued

- Learning @ Home Resources from EQES
<https://sites.google.com/wrps11.ca/eqes-learning-home/home>
- Literacy: <https://www.tvokids.com/school-age/space-blog>
- Numeracy:

Other supports Available:

- Our students are able to have support continue with our Family School Liaison Worker (Laura Lucas) Check the school website to book an appointment. Able to offer online meetings to students and families.
- Rochelle Minde continues to support all families in WRPS. Providing essential support to our community, families and students.

Sincerely,

Your Learning Team @ EQES
